

SOLID SURFACE Natural Selections

A distinctive selection within Transolid's line of high-performance Solid Surface products, the Natural Selections line is beautiful, durable and sustainable.

Natural Selections colors are custom-poured, giving them slight variations in color shading and veining which adds to their unique beauty. With an earthy look and superior performance, the Natural Selections Solid Surface line truly combines aesthetics and versatility at an affordable price.

Durable Solid Surface

Minor stains and scratches can be easily repaired. Resistant to scratches and stains because it is 100% solid through and through

Seamless Design

Smooth integration of vanity top, bowl and backsplash. No seams means no places for dirt to collect.

Easy to Clean and Maintain

Solid Surface material cleans up easily with soap and water. Minor stains and scratches can be repaired with a Scotch-Brite® pad.

Non-porous, non-toxic and non-allergenic

The lack of porosity makes these materials stain-resistant, so they will have a long life. They do not emit any harmful toxins and are non-allergenic.

Complete customization

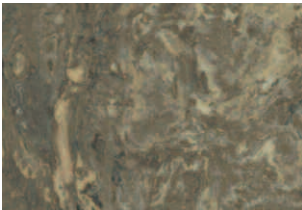

Customize with top shapes, edge treatments, bowl choices and locations, faucet locations, and more
